BANGOR WHIG.

WEDNESDAY, MARCH 6, 1839. THE TRESPASSES MAINE IN THE

-- RIGHT:

It will be noticed that one of the Resolutions fers to the course adopted by the Land Agents of Maine and Mossachusetts in October last. miliar to every citizen of this State, and the acts ni each successive administificon to relation to ing a comp. Upon representing to these perthe dinerent aggressions of Great Britain, and intrinsical contributions of they

for the prevention of trespasses on the public i lands, forms no inconspictious part of our politi- found a crew of six men, located for the winter, car history. To those who reside at a distance, on Township number Thirteen, in the third and consequently are not so well acquainted got in their supplies and were just beginning to with the several measures which have been at Cut timber, having made about one hundred and dopt d by the Executive Governments, it might James Swetor, David Swetor, Michael Keeley, erem as if Maine had assumed an entirely new James Coffee and John Smiley, all from New position as if she was attempting to exercise Brunswick. William Pyle, a settler, had ajurisdiction over a portion of her dominion, far greed to had their timber on shares. A writ of toward the North pole or over lands which had trespass was served dien these persons, days been wholly under the control of the reconnected supplies attached, and the deprecations stopped. Governor. Such is not the case, and we wish met Capt. McLanchlan going up the river, with every one who takes an interest in this matter, a crew of six men "He informed me, that he (and who does not?) to understand distinctly, was rent up by the Governor of New Bruns-wick, to drive off the trespussers, and it necesthat in undertaking to expel the trespossers from sarv, to cut up their timber. her public lands, at this time, she was sumply I informed him what I had done with the perfecting the execution of the plans which had tresposeers above, and also informed him of the Massachusetia.

The course pursued last summer and fall was and would do not in timber from trespass. was not taken by an armed force, or questimed as to his purposes, or object. He faithfully disdepredation, and h fran agent to look after our by the treaty of 183, had our National Governof lawless men were stealing, as it were, from manded a prompt adjustment of this question. the Treasury of our State, and as mon as strong | As late as 1814 the British commissioners did the plunderers, and hold over them the strong lakes, and then say :arm of her power. She dictates to Maine that | "If this can be adjusted, there will then re

the question is strongly myed on the mind, why frontier as may secure a direct communication be- have kept wholly aloof from the excitement did not the Warden or Sir John Harvey protest : tween Quebec and Halifax agrifust the acts of Mr. Hamfin last fall? Why? Thus it seems that in 1814, the British meres tier-and have not to our knowledge held a Hamlin of the many treepasses which would be and Halifax. Now they claim full one half of columitted this winter, and as they were gener- the territory ! ally carried on by British subjects, he should | The second article of the treaty of 1703, esvery warehouses of the Provincial Government, familiar with it, It is as follows : The St. le has suffered detriment long enough, and she cannot, and 'ought not to suffer any longer. Matters are now assuming an imposing the St. Croix river, to the highlands which diaspect. We are not anxious for a war with Eng- vule those rivers that empty themselves into the says: gland we prefer peace with all nations, but to St Lawrence, from those which fall into the gland we prefer peace with all nations, but to be the first of Comments of the period of the first of Carlon that gain it we would not saurifice the rights, the Atlantic Ocean, to the north-westermost head that information had reached Frederickton, that gain it we would not saurifice the rights, the Atlantic Ocean, to the north-westermost head that information had reached Frederickton, that round and mirging of a stugge state of the Con- middle of that river to the orty-fith degree of federacy. Baloie we are compelled to appeal to north latitude," &c "East by a line to be drawn that he had been directed by the flegiclative arms, let the British Government reflect upon the groundlessness of its claim remembering that it was the anxious desire of all parties, at highlands, which divide the rivers that fall into in up the trespassers; or at least, not to interthe treaty of Ghent, to avoid dispute in relation the Atlantic Ocean from those which fall into fere with him in his attempt to do so. Gen to the boundary line between the two countries; the river St. Lawrence." and in order to put it beyond doubt and cavil) the line was declared in the strong language of a very circulenus statement; "that their Land the treaty, and identified by monuments fixed Agent was greeted with jeers and insults when and eternal as the immutable principles of right passing through Woodslock." AFKUINF BUFFALO OIL THE HAIR! THE HAIR! THE HAIR!

The greatest ornament to the homan body is a splendid hand of hair. It has recently been discovered that the genuine Buffalo's Oil is a environment of the property of the hair fixed coming off, premotes the hair fixed coming off, premotes the provide the same becomes the beauty. It is far experior to any other animal or vergenble oil, and in case of fever, where the hair becomes they and begins to fall off, there is no application more effectual in restoring its beauty and rendering it in a healthy state.

It is put up at a low price. (37 1-2 cents) that all classes can have access to it. None genuine unless put up in fiat bottles, with Harn Ort, improved in the glow. Also, to prevent imposition, it will be signed by the Proprietor, Wm. Bown, 431 Washington, corner of the sale in Bangor by it. W. Holden, and Whit-Tas gree est ornament to the hu-

PURLIC NOTICE. important and extraordinary cures effected by their highly medicinal qualities; all of which may be seen at Dr. Wm. Evans' Medical Office, No. 7, Division street. One or two of these he herewith re specifully gives to a discriminating public.

Dr. Wm. Evans Sir, be pleased to receive the thanks of one who has been a great sufferer for several years, for the great benefits she has received from the virtues of your inestimable Camomile Pills. The has suffered with pain and distress in the head, a lightness across the head, a lightness across the stomach, shortness of breath, and palpitation of the heart; exercise would almost overcome her; but since using your Camoinile Tonic Pills, her complaints are removed she is able to exercise without latigue, and she is happy to say, can enjoy life comfortably again.

Newark, July 18, 1836 Dear Sir, for four years I have been so unwell that I was unable to attend to my business, and for the . last 4 or 5 months was confined in my room, my complaints were rheumatism, pains in my stomach. indigestion and loss of appetite, with continued pain and dizziness in my head : I used different kinds of medicines without effect; until I commenced taking your invaluable Camomile and Aperion; Pills; their beneficial effects apon ine astonish all who kness are situation. In a few days I shall be at your office to express my gratitude to you in person. In the mean time I subscribe myself your most ob'tserv't.

B. S. JARVIS, 13 Centre st.

Dr. Wm. Evans. Extract of a letter from Jonas Suyder. Postmaster, Knoxville, Pa. to Dr. Wm. Evans. Among several cases "an elderly lady who had been 25 yrs. afflicted with nervous hypochondria, debility &c. that for the last 3 years she constantly received medical and from a respectable physician, but the pres-

sure and pain on her heart and breast, and especially in her left side, remained immovable attended at long intervals with weakness in her head and on her mind keeping her discouraged to undertake any thing. In May she commenced using Dr. W. Evans

she has not enjoyed." Sept 2, 1836 JONAS SNYDER.

-On-Low-Sainties: Liow spirits is a certain state west corner of lot number one, formerly cowned by of the mind, accompanied by indigentian, wherein Jesse Martin and Cyrus Jumper; thence southerthe greatest evils are apprehended upon the slightest grounds, and the worst consequences imagined. Aucient writers supposed this disease to be confined to those particular, regions, of the abutomen technic confidence the couth line of said Martin and Jump-cally called hypochondria, which are situated on the er's land intercepts the course of said wall; thence right or left side of that carin, whence comes the westerly on the line of raid Martin and Jumper's name hypochondriasis. 🕒

SYMPTOMS - The common corporeal symptoms are flatulency in the stomach or bowels, acrid cructations, costiveness, spasmodic pains, giddiness, dimness of sight, palpitations, and often an utter inability of fixing the attention open any subject of importance, or enguging in any thing that demands vigor or courage. Also languidness; the mind becomes trittable, thoughtful, desponding; melancholy and dejected, accompanied with a total derangement of the nervous system. The mental feelings and peculiar train of ideas that haunt the imagina-tion and overwhelm the judgment exhibition limbite diversity. The wisest and best of men are as open to this affliction as the weakest,

. Causes. - A sedentary life of any kind especial. ly severe study, protracted to a late hour in the night, and rarely relieved by social intercourse, or and drinking, the immoderate use of mercury, vio-lent purgatives, the suppression of some babitual er Church Music, furnished in any quantity, at the discharge, or long continued eruption, relegations or debitity of one or more important organs with

in abdumen, is frequent cause.

TREATMENT The principal objects of treatment are, to remove indigestion, to strengthen the body, and to eliven the spirits, which may be promoted by conversation. The bowels (if costive) being carefully regulated by the beautifully the beautifully regulated by the beautifully regulated to obtain this end, than Dr. Wm. Evans' Aperient Polls—beautifully the beautifully t ing mild and certain in their operation. The bow-Pills, (which are tonic, anondyne, & anti-spasmodic) are an infallible remedy. without dispute have proved a greet blessing to the numerous publica-

Some physicians have recommeded a free use of mercury but it should not be reserted to; as in many cases it will greatly aggravate symptoms. Sold wholesale and retail by
